Sir,

Subject.- Acquisition of Municipal sites in Birur Town for the formation of a road to connect the Tangli Street to Lakoolpet via, Lazeed Road.

Adverting to Government Memorandum No L 1868/A1 19-44-19 dated 26-8-1944 received from the Secretary, Law Department, publishing the preliminary notifications in respect of acquisition of the above lands, I have the honour to state that the preliminary notifications were duly published in the locality The owners of the sites to be acquired have no doubt agreed to the proposed acquisition, but they request the grant of house building sites formed near the Railway station in lieu of money compensation They say that they do not want money compensation However, the Municipal Council having considered their request have passed a resolution that sites demarcated in Lingadahalli road may be granted to each of these persons provided they are prepared to accept half the portion of each site and to pay excess amount over the compensation due to them to make up the value of - Rs 250/- being the cost of each site formed by the side of the Lingadahally road The council has already credited the acquisition charges as stated in my previous letter It is open to the parties either to accept cash compensation awarded by the Acquisition Officer or to obtain sites in exchange as per terms to be laid out by the Municipality Their request that sites alone have to be awarded in exchange cannot be complied with

In view of the above, I request that sanction to the acquisition may kindly be accorded and the enclosed declaration statements in triplicate both in English and Kannada may be arranged to be -
